

Maternity Cash Rates

Letter of Agreement

Rates are effective March 1, 2022 * Prices subject to change without notice

Thank you for choosing Pomona Valley Hospital Medical Center (PVHMC) for the delivery of your baby. Our dedicated nurses and staff understand your excitement and wish you good health and happiness. We have established Maternity cash rates available to expectant mothers who plan to deliver their babies at PVHMC. Our cash discount policy pricing is based upon uncomplicated deliveries for standard lengths of stay. Other cash rates are available for other unplanned, medically necessary services you may need during your pregnancy or stay at PVHMC, which may not be part of this agreement.

Delivery Service

Rates to be paid upon services rendered

Vaginal Delivery (up to 2 midnight stays)	\$ 6,600
Cesarean Delivery (up to 3 midnight stays)	\$ 8,400
Epidural (Vaginal Delivery)	\$ 600
NST – Antepartum testing	\$ 224
Iron – Infusion	\$ 1,000

The delivery rates begin upon the first day of admission and include all routine hospital services related to routine/normal delivery and routine/normal newborn care as outlined below:

- Labor and/or operating rooms
- Maternity room (private or semi-private based on availability)
- Nursing care for mother and baby
- Routine lab tests for mother (CBC, Type & Screen)
- Routine newborn tests (hearing, newborn screen & CCHD)
- Routine medical supplies and medications
- Parents' celebration meal

Other professional services are **NOT** included in Maternity Delivery Cash Rates or in the Additional Maternity Service Rates. Provider bills other professional services separately and include but are not limited to.

- Any physician service provided to you or your baby by an obstetrician, pediatrician, neonatologist or anesthesiologist, etc.
- Should you or your baby require transfer to another facility, transportation costs and costs of care at the receiving facility are **NOT** included and will be collected separately by the Transportation Company or Facility.
- All visits to the hospital prior to delivery are **NOT** included in this agreement and must be paid in full prior to discharge.
- Newborns admitted to the NICU are **NOT** considered part of the delivery cash rates and will be charged separately at the rates noted below in the "Additional Maternity Service" chart below
- Epidural given during labor in expectation of a normal vaginal delivery is \$600 (hospital charge). Separate anesthesiologist charges will apply for both vaginal & C-section deliveries and prior arrangements must be made with them by contacting Allied Anesthesia at 714.619.5391 for general questions. Payments contact Gina 714.619.4726. Fax # 770.701.6801.
- For more information, please contact our **Business office to speak to a customer service representative at (909) 865-9100**. The following are additional maternity services you may need before, during and/or after your delivery. These services are **NOT INCLUDED** in the Maternity Delivery Rates above. These services are ordered by your physician or may be required by law or regulation. In the event you require hospitalization for additional care or procedures not included in the delivery rates or additional maternity services below, PVHMC will require you to pay according to the rates in its Prompt Pay Discount Policy for those services.
