# HOW TO USE THE BABYLIVE ADVICE APP-STEP-BY-STEP GUIDE

1

## Download the App

Go to the App Store, Google Play and search **BabyLiveAdvice**. Tap “Install” and then “Sign Up”.

2

## Go to Pomona Room & Create Your Account

Open the app once it’s installed. Select Pomona Room and Tap “Sign Up”, and create a secure password. Agree to the terms & conditions and tap “Create Account”.

3

## Access and Manage Your Account

Once logged in, you can view your profile and health information, Update contact details. Access visit history and upcoming appointments.

4

## Schedule Your Appointment

Tap “Schedule Appointment”. Answer a few questions like: *What’s the reason for your visit? Do you need a translator? Your preferred appointment time.*

5

## Choose Your Provider

Browse a full list of providers by specialty (e.g. lactation consultant, nurse practitioner, doula). Read bios & reviews.

6

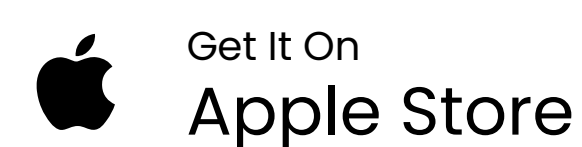

## Join Your Appointment

At the time of your scheduled visit, open the app. Tap “Join Now” to start your live video consultation.

7

## Post-Visit Support

After your visit you can access your visit notes and educational resources.

## Download Mobile Application - Choose POMONA room

Or visit <https://care.babyliveadvice.com/u/pomona> from any browser.
